In the meantime the written Application has been received and the Owner of GP was asked for their agreement. Response is pending. The Finnish guys handed over a nice "schnapps glass" with a Folkboat Logo to all participants and (of course) filled some nice stuff in.

All participants were very happy with the participation of Finland in the Goldpokal 2012 and the Goldpokal in general.

The Chairman thanked all participants for joining the AGM and the NFIA Board and Technical Committee for their contributions in 2011/2012. He closed the AGM at 19.45pm.
